Yingwei Kaplan
HECO Hiring Manager

Aloha Yingwei ~

Congratulations on being selected to manage this important project. I believe you are the perfect leader to undertake such a vital mission for Hawaiian Electric. I have the requisite skills, experience and background to be a strong, positive addition to your team. Most importantly, our prior opportunity working together under pressure on a critical IT security upgrade assignment shows we will be outstanding partners on this venture.

Together, we have the proven work history, as well as professional relationship and personal respect to be successful for Hawaiian Electric and ratepayers across the islands. I truly enjoyed your management style and professional leadership when we last collaborated. We will be a powerful, talented team again on this project.

I look forward to an opportunity to again partner with you. Wish you and your husband a fun, romantic and happy Valentine's Day. Hope to speak with you soon about this important mission.

Sincerely,

Scott Goold
